The Illustrated Bible Verses Wall Calendar 2016

Synopsis

Introducing a modern, appealing, exciting new idea in Bible calendars. Combining gorgeous, hand-lettered Bible versesâcited chapter and verse from multiple versions of the Bibleâwith lively graphics, Illustrated Bible Verses offers inspiration with every glance. Each month will lift the spirit, soothe the soul, and encourage contemplation. And we know that in all things God works for the good of those who love him, who have been called according to his purpose.âRomans 8:28

Customer Reviews

I cant wait to start using this calendar! The spaces are large enough to keep track of appointments and the pictures each month are so pretty. There is a good variety of verses, all familiar to me but not overused ones, either. It is bigger than my current calendar, but I was ready for a beautiful change and January 1 will be an exciting day!

As 2015 is slowly winding down, I started considering what kind of calendar I could get for my office. After discovering bible art journaling earlier this year, I decided to review the Illustrated Bible Verses calendar. This adorable calendar has a modern, appealing, and creative look. Combining gorgeous, hand-lettered Bible verses which cite chapter and verse from the New International Version with lively graphics, Illustrated Bible Verses offers inspiration for a whole month. Each month will lift the spirit, soothe the soul, and encourage contemplation. Some of the graphics use in this calendar could be inspiring for any crafter or journaler out there. With the popularity of Bible Art Journaling growing by leaps and bounds, I wouldnât be surprised to see this calendar being popular during

the Christmas season this year. After all, a calendar is always useful in a home and having scripture on it is uplifting and encouraging.

This is a beautiful calendar! I am so happy with it! It's my favorite of any calendar I've had for the last five years. The paper is glossy and lightweight, but not flimsy. The daily squares are small, but large enough to write one or two notes. I don't usually write on my wall calendar, so this is not a concern for me. What I love: The images each month are bright, cheerful, and modern. The selected verses are uplifting and inspiring. The colors are bold and deep and beautiful! I love that each month is completely different in design, offering lots of variety throughout the year. The verses chosen sometimes align with the season or holiday for the month (i.e. January is about hope, February is about love, March is about Easter, December is about Christmas). The image for each month isn't limited to just the upper half of the calendar - the design extends down into the lower half, and overall the entire two-page layout is a complete design for each month. I love this! It makes the actual calendar portion much more interesting and artistic. Shipping was super-quick with Prime and the calendar was in pristine condition when it arrived. Highly recommended!

As a Christian, I have found that one of the most effective ways to apply the bible daily is to have scripture everywhere and anywhere you can possibly have it in the house - on the wall, framed as artwork, fronts of journals - and this includes finding a calendar that contains the scriptures you either love or are applicable to the storm and/or battle you may be facing. This calendar is just that for me.

I bought this to provide some examples of illustrated Bible journaling. Nicely done large, clear illustrated Bible verses, and calendar itself provides plenty of space to write. Nice quality paper too. I bought several copies and gave them as gifts.

I love calendars and have them all over the place. I have this one hung near my front door as a great reminder of the date as well as a the message displayed through the wonderful artwork and presentation! Package arrived on time in great condition, too!

The illustrations in this calendar are beautiful! I agree with other reviewers that not every month is my style or just breath-taking, but I still appreciate having Scripture hanging on my wall. I would purchase it again.

The art work is so well done that they will be framed when the year is over. The pages have a nice weight so when viewing the dates you cannot see the print on the opposite side. This will be my go-to calender every year.
