God Makes Me His Child In Baptism

Synopsis

This book will help explain the concept of infant baptism to preschoolers. Through its simple language and coloring book format, this useful book captures children's attention while teaching them that through their own baptism they became a part of God's family.

Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

I use this book to explain to children and through them to adults about what baptism is. It has good theology. Unfortunately it's a bit US Lutheran specific but apart from that it's a great resource and the kids enjoy it. (So do the adults.)

I came across this book a few years ago when looking for something to give the older brother of my goddaughter on the day of her Baptism. He loved it! The book does a great job of explaining the meaning of Baptism as well as some of its on-going implications. It is also very nicely illustrated. Since then, I have given this book to a number of children when a younger sibling was baptized, and in every case it has been well-received. Highly recommended!

This is by far the best book on baptism I have found (for those of us who baptize infants). It explains baptism in a very clear and simple way. I bought this for my 3yo daughter, and it didn't keep her attention, but it was worth it for the first pages and the conversation that ensued.
