# More Would You Rather?

## Synopsis

You loved *Would You Rather* and asked for more. In the tradition of the Quick Questions line, *More Would You Rather* offers another 465 provocative questions that will get your students laughing, debating, and thinking (and they'll learn a ton about each other in the process). Get ready for more fun as you ask: Would you rather | ¢ Live without your thumb or your big toe? ¢ Be famous or inspirational? ¢ Flip burgers or deliver pizza? It's amazing what can happen when you ask a silly question. Most of the time, a student's answer has a story behind it. Explore the answers as you learn about students' values, fears, and faith. And the book's convenient size makes it easy to stick in your pocket, your backpack, or your car's glove compartment. Whether you're a veteran youth worker or new to the field, a paid professional or a volunteer, you'll find *More Would You Rather* an indispensable part of your ministry resource library.

## Customer Reviews

I'm a youth pastor in Cincinnati and I bought the prequel to this book and my students loved it! When I told them I bought this book they literally cheered. Great thought provoking questions and conversation starters. Lots of funny off the wall questions also. Highly recommend!

If you are working with high school aged youth either in a church or non-profit setting, this is a wonderful resource for discussion starters. Many times, I will start a meeting off by having the young people select a number and then read the "Would you rather" statement that corresponds. After the individual has answered, I have others chime in with their thoughts. Sometimes this can become the

entire focus of the meeting. Both versions of the book are a MUST HAVE for those working with teens.

I am a Sunday School Helper for junior high kids. They love when I bring this book to class and they ask for it every week... "Did you bring Would you Rather?" It is great tool to get them talking. We ask a question, and go around the table listening to the reasons why they pick one choice or the other. The questions are funny and thought provoking. Great book for teen groups.

I found some of the questions inappropriate for a church youth group, so if you're not using it in that setting, maybe it's okay. But some of the questions were even about spouses, so not sure why that would "get teens talking". I asked one of the questions from the book, "Would you rather.....catch your dad reading playboy or coloring in a Barney coloring book?" Of course the kids thought it was hilarious.
