## Customer Reviews

Absolutely Perfect. As an otaku and fan of the series I had to get this. The Book Arrived on time and in good condition. The story is pretty good and really expands the interesting history of Akame. Lots of intense action and heavy emotions throughout. I look forward to getting Volume 3 in the future.

Improvement from the first novel the story is starting to move forward I would recommend it

I hope an anime will of agk zero will come out in the near future
