Everyday Theology: How To Read Cultural Texts And Interpret Trends (Cultural Exegesis)

Synopsis

Everyday theology is the reflective and practical task of living each day as faithful disciples of Jesus Christ. In other words, theology is not just for Sundays, and it's not just for professional theologians. Everyday Theology teaches all Christians how to get the theological lay of the land. It enables them to become more conscious of the culture they inhabit every day so that they can understand how it affects them and how they can affect it. If theology is the ministry of the Word to the world, everyday theologians need to know something about that world, and Everyday Theology shows them how to understand their culture make an impact on it. Engaging and full of fresh young voices, this book is the first in the new Cultural Exegesis series.

Customer Reviews

"Everyday Theology: How to Read Cultural Texts and Interpret Trends" by Kevin J. Vanhoozer is the study of the doctrines of the Scripture as they were developed within succeeding eras or within individual authors' literature, all during the framework of biblical chronology. A significant introduction by Vanhoozer lays out the hermeneutical method for engaging with culture. In this book, the art and science of interpreting cultures are the set of rules, guidelines, or principles for interpreting cultural texts and trends. "Everyday Theology" is a how-to-book, how to read cultural texts, and interpret trend. It sets forth the principles for understanding cultural hermeneutics along with how and why Christians should read culture. The book is not an encyclopedia of contemporary culture, nor is it a full-blown textbook of cultural hermeneutics. With an emphasis on both

methodology and case study, it is well suited for seminary classroom use. What it provides is a model for reading culture theological. Vanhoozer points that all Christians can and should achieve some degree of cultural literacy, that is, the ability to read or interpret the world through the lens of the Bible and Christian faith. The book begins with how to use everyday theology as a practical task of living each day as faithful disciples of Christ Jesus. The practical task of everyday theology follows a series of essays that engages cultural texts and trends, from the music of Eminem to the grocery store checkout lane to the phenomenon of internet blogs. The purpose of the book is to teach Christians to get the theological lay of the cultural land. Vanhoozer wants Christians to find an understanding of what is going on in ordinary situations and why.
