# My First Bilingual Book-Home (English-Vietnamese)

## Synopsis

Guaranteed to enrich a toddler's vocabulary, this simple and fun series of bilingual board books is ideal for helping children discover a foreign language. Highlighting more complex concepts that go beyond colors and numbers, titles in the series feature animals, fruit, home, and vegetables. This collection combines photographs, bright illustrations, and dual-language words in clear, bold text. Suitable for both individuals and groups, these books are a child's perfect introduction to exploring other cultures.

ISBN-10: 1840596554

ISBN-13: 978-1840596557

Product Dimensions: 0.2 x 5.2 x 6.2 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 4.1 out of 5 stars [See all reviews](#) (28 customer reviews)

Best Sellers Rank: #1,073,909 in Books (See Top 100 in Books) #88 in [Books > Children's Books > Geography & Cultures > Where We Live > House & Home](#) #2974 in [Books > Children's Books > Education & Reference > Foreign Language Learning](#) #5712 in [Books > Children's Books > Early Learning > Basic Concepts](#)

## Customer Reviews

The printing is glossy and high quality. The pages are not as thick as the thickest board-books, but seem plenty durable. The illustrations are excellent, with simple details, and vivid, realistic colors. 4-5 items are shown separately on the left hand, and then they are shown in context, in a room, on the right hand side. I really like this approach. To me, this is very developmentally sound for children just learning to talk, and helps them relate the separate objects to similar contexts in their own lives. I love it that a typical "European" kitchen, bathroom and bedroom are depicted. Even the radiator along the wall is present, rather than the more typical American vents. There are other little things that are culturally accurate to Europe, which I find very cool. It means that the publisher actually made the book based on things European children would see, rather than just trying to cram vocab

onto the same pictures used for 28 other languages. My rating of this book is in contrast to many other books I've come across in the past. I wasn't quite sure what to expect, when I ordered this, but I'm very pleased. Here's why: It seems like sometimes with German language books for kids, the images are old-fashioned, just plain bad/boring, or worse, developmentally inappropriate for very young children. For example, I have seen "My first [fill in the blank] vocabulary" books, with pictures of things that are RIDICULOUS for a child just learning to talk/read... Either the items (or the words for the items) are much too complex, or they are things that are simply extraneous to the life of a toddler. That is not the case with this book.
