# Rescuing Hope: A Story Of Sex Trafficking In America

## Synopsis

"Every two minutes, evil strips innocence from a child and sells her into slavery for sex. Not in a third-world country, but in the United States of America. Before you take another breath, the next victim will be tricked or taken from her family by a profit-hungry criminal. She could be a neighbor. A friend. Your sister. Your daughter. You. At fourteen, Hope Ellis is the all-American girl with a good life—until the day she tries to help her mom with their cross-town move by supervising the movers. When they finish, one of the men returns to the house and rapes her. Held silent by his threats, darkness begins to engulf her. But the rape proves to be the least of Hope's troubles. In a gasping attempt at normalcy, she succumbs to the attention of a smooth-talking man on the subway. He promises acceptance. He declares his love. He lures her out from under the shelter of her suburban life. Hope's disappearance sets a community in motion. She's one of their own. They determine to find Hope, whatever the cost, before she's lost forever. Will you?"

## Customer Reviews

Hope Ellis is just your average fourteen girl until she helps her mom by supervising the movers on their cross-town move. When the movers finish, one comes back and rapes her. Struggling with normalcy after and kept silent by his threat Hope doesn't know what to do. The darkness starts closing in until she finds a way to cope. Marijuana becomes her comfort and makes life a little but easier. That is until she meets a guy on the bus home. Lured in by his charm and an attempt at normalcy she succumbs to his attention and falls hard. He promises acceptance and love. He lures her outside the comfort of her suburban home and her troubles are just beginning. Her worst nightmares are coming true and her life is altered forever, no longer is she the innocent fourteen year old she was before, now she's a prostitute and she's one of millions. Every two minutes, evil strips innocence from a child and sells her into slavery for sex. Not just in third-world countries but in the United States of America. Before you take your next breath another victim will be taken from their families for profit. The average age is twelve to fourteen. The lifespan: seven years. It's happening now and it's happening around you. Will Hope's family and friends be able to find her before it's too late? Will Hope be able to survive the horrors of sex slavery or will it break her? Will Hope's family give up or will they prevail until they find her? Will the police force be able to track her down despite the fact that he doesn't go outside or will she be lost forever? She could be someone you know or even you, will you help?----- This book was hard to read, harder than I thought it would be and I knew it would be hard.
