**Customer Reviews**

Is a wonderful book. The tale of the funny skull "La Calabera Burlona" was one of my favorites. Is A++++ for parents to get for their kids, specially if you want them to learn spanish.

...other than that the pages written in it was still a pretty good book it seems like somebody was trying to translate it thank...

Item was as described and arrived on time. Thanks! Thank you on your gracious offer to write more words to describe this item, but I really have no other comments that I wish to make.
