Adobe Fireworks Web Design Interview Questions: Web Design Certification

Download EBook
Synopsis

Book Description: The Ultimate Reference & Learning Guide for Web Designers and Administrators!
Macromedia Fireworks is an essential tool for today’s web designer, particularly those already required to work with other macromedia products such as the popular Dreamweaver and Flash. This comprehensive guidebook will help you evaluate potential candidates for a job, assess your skills, and guide you through the learning process. You’ll be exposed to in-depth sections that go over the crucial information as well as special features of Fireworks that will set you apart from other developers. More than just a rehash of Adobe’s documentation and sales pitches, each section is based on knowledge and experience gained from successful, high-profile Adobe Fireworks users. Key topics include: Bitmap and vector graphics editing. Integration with Dreamweaver, Flash, and other popular products. Slices and ability to ad hotspots. Overview of all toolbar and menu features. Troubleshooting and maintenance.
