Certification Prep Adobe Flash CS5
Certification Adobe Flash CS5 helps you prepare to take the Adobe Certified Associate (ACA) Adobe Flash CS5 certification exam. G-Wâ€™s Certification Preparation Series consists of individual guides that provide practice in the basic skills needed to be successful using the corresponding software. No previous software experience is required. Although the guides focus on learning skills, not test taking, users that complete the practice will be prepared to take the official software certification exam and demonstrate workplace readiness. Step-by-step instructions demonstrate actual software commands and features, building from basic to advanced. Content is divided into small units for better learning and usage. There is no need to download files or purchase additional materials as all lesson content is created using the software. Provides an affordable way to prepare for industry certification versus other methods. Focuses on hands-on experience to develop skills.
