Illustrator CS5: Advanced, ACE Edition, is part of a two-course ILT series, which is designed to help students prepare for the Adobe Certified Expert exam for Illustrator CS5. In this course, students will learn more advanced techniques for working with paths, masks, fills, and strokes. Students will also learn how to use transformation tools, envelopes, filters, effects, and graphic styles. In addition, students will learn how to convert raster images to vector art and how to manage color settings, color separations, and print specifications. Finally, students will learn how to work with slices and how to optimize and export images for the Web.
