Harley Quinn Vol. 5: The Joker's Last Laugh

Synopsis

MAD LOVE! Mason Macabre is more than just Harley Quinn's neighbor in her new Coney Island digs—he just might be the man of her dreams. But to save his life, she'll have to face the clown of her nightmares! With Harley and her gang of merry maidens battling to keep innocents out of the crossfire of her enemies' latest vendetta, Mason's been whisked away to the one place our hellacious heroine never wanted to set foot in again: Arkham Asylum. Inside its horrific halls, Mason is at the tender mercy of none other than the Joker—and Harley and the Clown Prince of Crime have had the mother of all bad break-ups. Will she and the madman who helped make her what she is kiss and make up long enough for her new beau to escape with his life? Or this time will the joke be on Harley Quinn for good? It's the reunion you've been waiting for!

Customer Reviews

Maybe the best volume of the series to date. Chad Hardin provides the art throughout the book with an Amanda Connor one-shot at the end, so consistently great art everywhere. This volume ties up the plot line with Mason in prison and Harley also gets closure from the Joker. The Joker scene was especially good. Received an advance copy from DC and Edelweiss in exchange for an honest

review.
