Customer Reviews

I downloaded a sample of this book and after I looked at it I had to buy it! I was not dissappointed! Yes it is a little over the top but I loved the story line and the plot! It was something different! I love the zombie vs vampire theme! Definitely worth \$1.99!

I really enjoyed this book! It was like a cross between a ridiculous, low-budget horror flick and Buffy the Vampire Slayer. Penny Goodfellowbis a very unique character and was a joy to read. If you want a quick, supernatural greatest check this book out!

OMEGA ZMBIE (OZ) is really entertaining, I really enjoyed reading it and I like the graphics. One thing I really didn't like is how it is set up for kindle, because if I buy a book on the store, I expect that it really fits to kindle, and that means for me f.e. no white site in between the story. And

because of the problem of white pages I give only 4 stars. The story is freaky-cute and funny. And now the story:*** For all who don't like spoiler - stop here to read! ***Penny tells her story - how she bacme a zombie, and how she dies. Penny was a normal teenager, until her father is killed by a vampire girl. Penny is nearly also killed by that vampire girl, but her supposed uncle rescues her and converts her into a zombie to fullfill her families destiny as vampire killer. And in the end she is killed by her "uncle" to avoid the risk of epidemic of zombies.

It was a pretty good read. I enjoyed it. Jus wish it had more graphics since the category I got it from was graphic novels

Good read would recommend fast Read too! Some good graphics too. Hope to find more from the author good!
