The Liberty Book: How Freedom Can & Will Be Won

Synopsis

News reports bring to our ears daily stories of further intrusion in our lives and increased regulations too many to number. America is losing its heritage of God-given freedoms, which were originally derived from biblical teaching. We sense that our well-sung liberties are being lost to a point of no return. **Â** The Liberty Book examines the Christian roots of liberty, idolatry, taxation, foundations for freedom, the right to bear arms, the great freedom documents in history, pro-life and liberty, land rights, social involvement, and more. **Â** With Godâ™s help freedom can be revived. We must all work to pull America back from the cliffs-edge fall into tyranny. Our nation is again in search of genuine liberty under God. Discover what Bible-based liberty looks like and how it can be won for you and your children.

Customer Reviews

Anyone who calls themselves an American needs to read this book. It's packed with history lessons we all need to be refreshed on . It not only tells how America has sunk to its lowest state, it explains how we can all do our part to get back to Liberty. Very inspiring.

When I read this book I hear an old friend gently teaching. Don makes seemingly complex concepts easy to grasp and understand. Without repentance and implementation of the Biblical principles outlined in THE LIBERTY BOOK, we will continue under judgment. May God have mercy on us.

This book is eye opening, full of truth and written in a way that will make you want to stay up all

night to finish it. Every home library needs a copy of this.
