**Customer Reviews**

I gave this book 5 stars because it really helps to know what to do when your being bullied. It also shows how to be confident even when you’re not feeling so confident. I would totally recommend this book to anyone who is being bullied, was bullied, and or knows someone who is being bullied. I think
people who are bullies should read this too. It might help them have a change of heart. I hope this helped. Enjoy :)

My favorite part of the book was when Mrs. Jennings told you to be confident. To believe in yourself. I like this book because you let people know that bullying is out there and that you can prevent bullying happening to you.
