The 1647 Westminster Confession Of Faith With Scripture Proofs And Texts From The 1611 King James Bible, And All Subordinate Documents Included

With Scripture Proofs and Texts from the 1611 King James Bible, and all Subordinate Documents Included.

Synopsis

This volume is the original 1647 version of the Westminster Confession of Faith, and its subordinate documents which comprise the Solemn League and Covenant, the Larger and Shorter Catechisms, the Form of Presbyterial Church Government, and the directories for Public and Private Worship. Also included is the Sum of Saving Knowledge as well as a topical index to all the documents. The Confession and Larger and shorter Catechism are proved by Scripture using the Authorized Version (the King James) as published in 1647 by the Assembly. Some years later, in 1652, the Larger and Shorter Catechism were also published as proved by the KJV version of Scripture. The 1647 Westminster Confession of Faith is the most precise and theologically rich confession produced by the Christian Church. Though the Christian Church takes the whole Word of God alone as her only rule of faith, she must also frame and promote a statement of what she understands the Word of God to teach. Thus, the church of Jesus Christ, in contending for the faith once delivered to the saints, should rely on the BEST confession available. This is it! This is not a scan or facsimile. This third edition has updated certain Scripture proofs in the confession and catechisms for precise accuracy.

Customer Reviews

In my opinion, the best document I own after the Holy Bible itself. Absolutely critical to knowing the truth about life. I rely on it 100% to lead me through the bible and teach me everything I need to know about it. I love this document and the digital form is great. It has the Confession and both Larger and Smaller Catechisms.

Very well done. It was good to have the original confession with the back up scripture.
