Half Truths Youth Study Book: God Helps Those Who Help Themselves And Other Things The Bible Doesn't Say

Synopsis

They are simple phrases. They sound Christianâlike something you might find in the Bible. Weâve all heard these words. Maybe weâve said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God wonât give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin. The Youth Study Book helps young people in grades 6-12 understand how to apply Godâs truth to these simple Christian clichés. Written in an engaging style that will capture the humor and imagination of young people, it can be used as a book study only or in combination with the DVD.

Customer Reviews

Alas. I should have read the fine print carefully. This is the Youth Study Book.

Adam Hamilton does a good job addressing the small mistaken truths in the Bible. These are restated as fact when they are not factual.

Love all of his books that I have read. Makes you think!
