My girls (ages 3 and 6) have been in love with the new Sofia the First Series on Disney Junior since it came out. We were thrilled to see that they were starting to release some paperback books and we pre-ordered the first three books (The Royal Slumber Party, Sofia Makes a Friend and Welcome to Royal Prep) as soon as we could. They arrived a day before the release date from and we read all three of them that night as a family for their bedtime stories. They were all a big hit. We have already pre-ordered several more that will be released over the next few months. "Welcome to Royal Prep" is a nice story with a lesson. All the children at Royal Prep Academy are preparing for their school's open house. They practice singing and dancing and they pick out their best artwork to display. Everything is going great until James accidentally spills paint on Amber's favorite picture.
James tries to hide the mistake but Sofia convinces him to tell the truth. In the end, everything works out great with a happy ending to the story and the children learn a valuable lesson about telling the truth. The inside back cover of the book has a fitting "Princess Lesson" that states "A true princess always tells the truth." Overall, this is a really nice book with great artwork on high quality glossy paper. It has a nice happy ending and teaches a valuable lesson. It is an easy level 1 reader that will be a confident read for your child. I always like to ask my girls what they thought about the story. My 6 year old said "That was so good" after the story was done and her favorite part was "when amber made a new painting" at the end. She also said the funniest part was "when James' painting looked awful" and she learned "if you always tell the truth, you won’t get in trouble."
