All Star Superman

Synopsis

The amazing creative team of writer Grant Morrison (BATMAN: ARKHAM ASYLUM) and artist Frank Quitely (WE3) join forces to take Superman back to basics and create a new vision of the World's First Super-Hero. This trade paperback collection features the first twelve issues of the acclaimed series. Witness the Man of Steel in exciting new adventures featuring Lex Luthor, Jimmy Olsen, Lois Lane, Bizarro, and more. This volume collects All-Star Superman #1-12.

Customer Reviews

All-Star Superman by Grant Morrison and Frank Quitely, taken as a whole in its twelve-part entirety, is quite possibly the finest Superman story ever produced. I don't make this statement lightly, as up until now that honor was held by Superman For All Seasons by Jeph Loeb and Tim Sale, which would make an excellent pre-read before diving into All-Star Superman. But whereas Superman For All Seasons was an intimate character study as seen from four different points of view which served to define the man of steel's identity, and established his purpose for being who he is, All-Star Superman sees that purpose fulfilled in a work that is the most loving and respectful tribute ever created about the greatest and most enduring superhero icon of all time. Freed from the constraints of the monthly book's regular continuity, Morrison and Quitely have crafted a simply-told tale with complex-yet-never-complicated story elements which work simultaneously on different levels: science-fiction, fantasy, mythological and super-heroic, which we learn is less about Superman's great powers and physical invulnerability than it is about his unwavering belief in humanity's

inherent goodness, and how far he is willing to go for his adopted world, even unto his final breath and beat of heart. As I neared the end, I had tears in my eyes, for the emotion and sheer focus that has been poured into this story is palpable, unsparing and clear, unapologetically tugging at our heartstrings without descending into over-sentimentality. Thank you, Mister Morrison and Quiteley. Mark Waid caps the introduction to Book 2 stating that he "...Really Has Read Every Superman Story and Never One Better." I agree, unreservedly.
