Then And Now Bible Map Insert - Ultra-thin Atlas Fits In The Back Of Your Bible

Synopsis

Tired of looking at the tiny maps included in the back of your Bible and still not understanding an ancient city's location? Most study Bibles provide maps showing only the position of cities during biblical times in super small print, making your study efforts frustrating, time consuming, and incomplete. Rose Publishing's Then and Now Bible Map Insert provides clear plastic overlays, making it easier than ever to see where biblical places were 3000 years ago and where they are today. Knowing the whereabouts of ancient cities and their distance from modern-day locations remains an essential part of any Bible study. The Then and Now Bible Map Insert enables you to conveniently place over 22 full-color maps within your Bible to reference throughout your Bible study. Then and Now Bible Maps Insert includes 44 pages with 8 clear plastic overlays; 22 full color maps; larger print; every major city in the Bible; separate maps for each of Paul's journeys; a Bible time line; and an index. 5.5 x 7.75 inches (ultra-thin). With this insert, you will easily find out fascinating facts, such as

- The ruins of Nineveh are in Northern Iraq near Mosul in Kurdish areas.
- The wise men were probably from Iran or Saudi Arabia.
- Queen Esther's throne was less than 300 miles northeast of Kuwait City.

The index to Bible towns & locales gives the map number to look at, but offers no X,Y coordinates. Example: if you want to locate the village named Dan, the index gives you the map number but it doesn't tell you that Dan is located in the far-north area of that map. You have to search it out yourself. My other map books DO give coordinates. On the plus side -- in addition to a goodly number of maps, there are several charts & tables that provide a ready-reference to useful info about the Bible.

This Bible insert shows you the names of the land in Bible times and then a page is placed over it and it shows what the land is called now. EXCELLENT resource for studying the Bible and seeing the past and present lands come to life. I ordered more for gifts to my friends too!! Too great not to share and a must have for everyone who loves to read and learn more about our changing world and the beautiful Word of God. My order arrived quickly and was well packaged. Cannot say enough for my service and sellers. Excellence abounds. Thank you

Handy, skinny, timelines, overlays, routes. Almost waterproof and drop-proof. (I've tested that out!) It completely skips the inter-testament period. Good for quick reference, not for detailed study.

Pros: I love the maps and the see-through plastic maps that go over the other. The maps are very detailed and allows you to have a much clearer understanding of where the Bible characters were

and what those places are today. Con: It is not as thin as they let on. I have a trifold Bible cover that I use but to slip it into the back of your Bible, neh, I would say it would definitely fall out a lot.

These are so very interesting and easy to read! In studying the Bible and looking at the maps in the back I have often wondered what each different region has become in the present day and this very compact book makes that very clear! It is truly fascinating and a wonderful idea!

This is a wonderful item for anybody that is really interested in Bible History and being able to comprehend more about context and culture as they study the scriptures. It is so convenient to have on hand when you need it. Thank you Rose Publishing for a great product.

This book is what it is presented to be. It is helpful and informative. It is 44 pages, but thin enough to fit into the cover of your bible without a bulge.

I wasn't sure about an atlas that one put in the back of their bible. But when I received THIS atlas, I was impressed. What a clever way of including then and now maps - with overlays. I've seen this before but never in a bible atlas. It is an excellent way to tell the differences of names, and movement of peoples over time. The maps are well printed, nice thick strong paper, well laid out chronologically in full color. I couldn't be happier with an atlas I can take everywhere I take my bible. Very practical. Thank you!
