# The Baker Illustrated Bible Handbook

## Synopsis

One of the keys to enjoying an in-depth and rewarding experience of reading the Bible is recapturing the ancient world--its cultures, customs, and histories. With this innovative guide, readers can enrich their study with fascinating insights into the Bible and the world in which it was written. The Baker Illustrated Bible Handbook offers the most up-to-date evangelical biblical scholarship in a format that is readable and easy to understand. This book-by-book guide brings the Bible to life with more than 1,100 full-color pages packed with illustrations, maps, and photos, and 112 in-depth articles on a wide range of topics important to students of the Bible. Readers will discover how each part of the Bible fits into and informs every other part, giving them a cohesive understanding of God's Word. No reference collection will be complete without this incredible new handbook to the Bible.

## Customer Reviews

Those of us who operate in fields where biblical resources are employed on a daily basis often take for granted that everyone understands the difference between the different kinds of resources available to those who desire to study the Bible more deeply. Commentaries, for example, are single- or multi-volume works that provide linguistic, contextual, historical, literary, et. al. analyses of books and verses of the Bible, while Bible dictionaries focus on defining biblical/theological terminology one might encounter in the study of a passage of Scripture. Bible handbooks are one of the most useful tools, and one of the most overlooked--these helpful volumes compile a great deal of general information about Bible books and key passages, along with brief explanations about

certain terminology and tips for reading and interpreting the Scriptures all in one compact volume. Handbooks don't provide the depth of information one might find in a commentary, nor the detailed definitions of a Bible dictionary, but for a one-stop resource, it's hard to do better than a good Bible handbook. As a seminary educated minister, I say this without hesitation: The Baker Illustrated Bible Handbook is probably the best of its kind. This is a beautiful volume. Its glossy pages are splashed with full color photos and easy to read type, along with each of its major divisions marked with a color-coded stripe at the bottom of the page for easy access to needed materials. The scholarship in the volume is second-to-none, and because it holds a 2011 copyright, that scholarship is completely up-to-date. Add to that a remarkably solid binding and a reasonable weight, and you have a book that is imminently useful and portable for its size.
