I loved it! I had been counting down the days and it came! I finished it in about 20 minutes. I loved how Nate’s luck suddenly changed and everything he did was right. It was pretty funny, too. My only complaint is that it was too short. I expected it a bit longer, but I liked the book so much that I'll rate it
five stars!

hilarious! I find Nate even more likeable in this book than in others, which proves his character growth. Chad and Maya’s relationship is supercute, and it has a good message. The main reason I loooove this book is how funny it is! Since April break, I’ve read this book...20 times? That actually might be an understatement. ;)

My 10-year old nephew loves all the Big Nate books, and this book was no different. They are a fairly quick read for a 10-year old (my nephew can read multiple Big Nate books in one day), but they are entertaining and kids will go back and re-read them.
