Skyborn (Thrones And Bones)
Synopsis

For fans of Lloyd Alexander and Brandon Mull comes the epic conclusion to the acclaimed Thrones and Bones fantasy-adventure trilogy that began with Frostborn. Find the Horn. Free the City. The chase continues for the legendary Horns of Osius. Thianna and Karnâ€™s quest to retrieve the horns from those who wish to abuse their power takes them to Thica, an ancient land where two tyrant queens reign supreme and where years earlier Thiannaâ€™s mother was labeled a traitor. Soon the two heroes are caught up in an epic battle for control of the kingdom, one that puts their very lives at stake. The only way to overthrow the queens is to beat them at their own game. But with an entire empire against them, how can Karn and Thianna hope to competeâ€”or better yet, survive? The novel includes instructions for playing the board game the Queenâ€™s Champion, a Thican timeline, and King Herakles Hammerfistâ€™s recipe for the Best Spanakopita Ever. Visit ThronesandBones.com for additional games, maps, character profiles, and more! Praise for the Thrones and Bones series: Future fans of Tolkien and George R. R. Martin can happily cut their serial-fantasy teeth on this first book of an eventual series.â€”Kirkus Reviews â€”A powerful, fast-paced tale. . . . The setting is rich, the characters well-defined, and the danger ever-paramount.â€”Publishers Weekly, Starred

Customer Reviews

This is the third book of the Thrones and Bones trilogy and lives up to the previous books. I won’t give any spoilers, but suffice it to say that I enjoyed the many twists and turns, memorable characters, and world building. Lou Ander’s books are like reading Tolkien and R.A. Salvatore for the younger crowd. Can’t wait to see what else he writes!
