Wow! This book is a gift for the Church. It integrates prayer with Scripture. It weaves cultural understanding with a keen awareness of the times. It packs theology with daily practical applications. Most of all, it focuses attention on God without taking one's eyes off earthly needs. For each day, Scotty Smith writes a 1-page prayer, beginning with a short Scripture passage. Whether the prayer is in the first, second, or third person, the focus is always directed to God. There are prayers of anticipation (Jan 1), of pain and suffering (Feb 2), for being more Jesus-centered (Mar 14), for clarity (Apr 10), on suicidal fears (May 1), on working hard (May 25), and many more. Smith journals his prayers honestly from his heart, intentionally toward God, and compassionately with the world he loves. I like this particular phrase that Scotty makes: "Indeed the central and operative questions in life is not 'What would Jesus do if he were here?' Rather, it is 'What is Jesus doing?' since he is right here, and everywhere else, right now." (14) How true. There are so many ways this book can be used. As a devotional, one starts the day with Jesus, trusting one's emotional and spiritual needs to God. As a meditation, one clings on to the Scripture passage which directs the day's prayer focus. As a prayer, one internalizes the needs of the world with the feelings inside the heart. Regardless of the ups and downs in daily living, this book enables readers to journey strongly...
in faith and in confidence that God is in charge. The book can also be used for public prayer, like the congregational prayer in churches. Fresh. Intentional. Biblical. Brilliant. If you buy this book, do not let it sit on your bookshelves. Keep it by your bedside. Pray with it.

I received Everyday Prayers: 365 Days to a Gospel-Centered Faith by Scotty Smith unexpectedly. It's funny how life works sometimes. Let me explain. I found a gift card in my dresser from a local Christian book store in my town. I figured it didn't have any money left on it, but to my surprise I found out I had $13 on it! After looking around the bookstore I decided to get this book. I'm so glad I did! Everyday Prayers is also a book that Scotty did not intend to write. He started writing these prayers as a new way to do his "quiet times". Scotty then began to share his prayers with his friends, then some members of his church family asked him about his prayer devotionals, then he started a small email distribution list, and then a blog. Now we have this book. The main point of all these prayers is what Scotty calls, "praying the gospel". This book is a passionate plea to understand and experience more of the gospel of God's grace. While many devotional books focus on what we need to do for Jesus, this book focuses on what Jesus did for us. To quote Scotty, "I intentionally always come back to who we are in Christ and who he is in us. Like Luther said, we need the basics of the gospel every day because we forget the gospel every day." What I also loved about this book was that his prayers came out of meditating on a specific passage of Scripture. At the top of every page is a passage from God's word and then the prayer follows. I have benefited the most from this book when I actually get my Bible out and read the passage for myself first and then read the prayer. I so agree with the other reviewer who said this book is a gift for the church.
