PROPHETIC DECLARATIONS FOR BREAKTHROUGHS: 35 Powerful Life Changing Declarations For Daily Breakthroughs
Synopsis

Dear Friends, Prophetic declarations for breakthroughs (volume 1) is inspired and put together to move your destiny forward and give you daily victory and breakthroughs in life by the power of declaration through your mouth. God has given us a wonderful weapon to enable us to reign in life. That weapon is the tongue. This is why the bible affirms that life and death are in the power of the tongue. God has given man dominion over his creation and that dominion is through your mouth. God has positioned us above the enemy; all things are under our control. But if we keep quiet and do not speak, the solution will not manifest. So many situations that have defiled prayers all these years all may just be waiting for a prophetic word from your mouth that will change the situation. The time has come for us to rise in prophetic declarations in the body of Christ. We need authority via our mouth, moving in the power of God resident within us to dismantle the works of the enemy in our life, calling into being the will of God into situations and circumstances and speaking into existence that which does not exist. When we make prophetic declarations, what we say becomes firm in the spirit realm first then it’s only a matter of time with consistency, it will manifest in the physical realm. It is important to note that when you speak a prophetic declaration, you speak in the present as if you have already have it (Matthew 11:23-24). It is your present declarations that will become your future manifestation. What you declare today is creating your tomorrow. It is your voice that will determine your victory in life (Psalms 81:10) with your declarations you will conquer all your enemies. You are a king here on earth and every king rules by decree and declaration. So with this book in your hands, begin to declare and release the power for the miraculous work of God in your life. This book will be a powerful tool in all Christian homes and for all believers, leaders and pastors. It will bring revival into your life, ministry, business, career, marriage and finances and establish your unending domineering in life. Prophetic declarations for breakthrough volume 1 will give you a testimony; you will never stop sharing till Jesus Christ comes! Grab your own copy now!

A really powerful book of declarations covering a wide range of topics. I like the fact that he gives scripture for meditation and confession. There is also at the very beginning, clear instructions and guidelines on how to use the prayers in the book effectively.

This book is so powerful! I say the declarations everyday. There are so many in her that can apply to one persons life so I end up praying for hours speaking the words into reality and watching my circumstances and family circumstances change daily. My adult sons are now calling me and requesting prayer over situations that require favor on their behalf. That is a big deal. *smiles*

This is an awesome prayer book. If you are going through spiritual warfare and need to pray some prayers through and to break demonic strongholds this is the book for you. The prayers really come to pass.

This book has increased my faith in God. It makes you read the scripture and declare the Word with boldness and confidence!!!!!!! My life is not the same. Thank you Mr. O Remilekun you are doing the work of God. Continue

This book can be viewed as a do it yourself teaching guide that has the ability to allow its readers to know and understand that through the use of prophetic declarations their lives can and will help to eliminate the need to run to others for prayer that we can do for ourselves if we will just learn to open our own mouths to make declarations. We have the power to succeed in any endeavor but as
the author states, a closed mouth will not get us anything. This book is a very easy way to get closer to God and to learn how to "Decree and Declare" a thing so that what we desire will manifest in our lives.

I was lead by the Holy spirit to purchase this book, it's already changing my life!! I pray these prayers daily with the expectation of God moving on my behalf. I pray these prayers throughout the day as well and read the scriptures for added faith. I received TWO unexpected blessings in one day!! GOD is still able and in the blessing business.

One of my favorite and continue to pray from it daily.

It declares what the Bible says and you pray the word over your life and others. You are praying the perfect will of God
