Discussions On Youth: For The Leaders Of The Future

Synopsis

In a straightforward question-and-answer format, Buddhist teacher Daisaku Ikeda responds to the complicated issues facing American young people. Addressing adolescents as the leaders of the future, Ikeda touches on topics of peace, human rights, and environmental degradation as he urges young people with warmth and understanding to see the great potential they have as the hope for humanity. The book also provides easy-to-understand explanations of Nichiren Buddhism and the benefits of its practice.

Customer Reviews

This text is highly engaging, motivating, and drives the spirit. As a 28 year old who teaches adolescents, it made me realize how much I need to grow up. I am part of a demographic that encompasses the concept of 20teen. Though this book promotes youth, it is important to live as an adult while maintaining a young spirit.

Must read item for all the youth.
