He was known in his time as a preacher and was made a missionary apostolic by Pope Clement XI. As well as preaching, Montfort found time to write a number of books which went on to become classic Catholic titles and influenced several popes. Montfort is known for his particular devotion to the Blessed Virgin Mary and the practice of praying the Rosary. Montfort is considered as one of the early writers in the field of Mariology. His most notable works regarding Marian devotions are contained in *The Secret of Mary* and *The True Devotion to Mary*. The Roman Catholic Church, under the pontificate of Pope Pius XII canonized Montfort on July 20, 1947. Those of you looking to know our Heavenly Mother Mary better and to consecrate yourselves to Her service will find an abundant source of treasure within these books. The Holy Rosary is explained and how it can be used to fight Satan in these times. Also explained is the mystery of suffering and the cross. Saint Louis de Montfort's works have been extolled by numerous Popes and theologians, including Blessed Pope John II, who consecrated himself to Mary. His motto; "Totus Tuus", meant "totally yours". This Collection includes Saint Louis de Montfort's works, including the original English translation of *True Devotion to Mary* with a supplementary 33-day Preparation for Total Consecration and a biography sketch. Customer Reviews

I read True Devotion twice over the past several years because of the popularity of the book, and I felt it was an extravagant and exaggerated view of the importance of the Blessed Virgin. After more reading of classic Catholic literature, returning to this excellent theology completely took hold of me. It is a sure way to Christian perfection, and I have now made the consecration to Jesus through Mary. Anyone who reads this treatise receives the Apostolic Benediction of Saint Pope Pius X. The other books in the collection clarify and explain True Devotion and the theology of St. Louis de Montfort generally. This is life changing reading if you take it in a simple, open way with pious faith. I am so moved by this collection that I am immediately going to read all the books a second time to be sure they are well incorporated into my life. To say it is worthwhile reading does not do justice to this collection of books for almost no money. Catholic Way Publishing is doing a great service for the Christian community. Update: I have read the books a second time and my spiritual life has been transformed.

This is a wonderful collection of inspirational books. Saint Louis de Montfort plan for consecration to the Blessed Virgin Mary has been approved by the Catholic Church. What a blessing to be able to get this on my Kindle.

This is the best purchase I have ever made in my life. It is written so well that even I, a lowly servant of the Lord, can understand it. I have come to realize that our Blessed Mother MUST play a more significant role in our lives. I am so happy I found this book and I wish I could write a review of it that is worthy. Just be assured you will NOT be disappointed if you purchase it, for the rewards for reading it are phenomenal.

this should be required reading for all Catholics. If the last 8 popes have read it and recommend it , then it must have a profound effect on all who read it . It did for me.

I have been greatly inspired by Saint Louis de Montfort's devotion to Our Blessed Mother Mary. In this collection we learn from him about the incredible 'Treasure of God' that is the ever virgin Mary. If you want to know what Mary is to you, read this collection. You will be eternally grateful, as I was. Father Roy of " Our Lady of The Island " Shrine in Eastport, Long Island, NY recommended to me the writings of St. Louis de Montfort, and I purchased this book as a consequence. I am now purchasing another copy for friend. Consecrate your life and all you possess spiritually and materially to Our Blessed Lady for she is the surest way to her Divine Son. I would remind everyone that the Israelites upon reaching the 'Promised Land' were commanded by God to take the land from the inhabitants, and the most formidable of them all was the city of Jericho. The Israelites marched around the city for 7 days with the Arc of The Covenant leading them. On the 7th day they marched 7 times around the city, blew the Trumpets and the walls of their enemy fell to them. The New Arc of the New Covenant will defeat the far greater and more formidable enemy when we follow her against the forces of evil, for God has willed that it be so. This collection of books will prove invaluable in every aspect of your life.

Amazing book. I made the Consecration to Jesus through Mary, and found the treatise about its nature, and the preparatory material to be invaluable. But the rest of the books are also tremendous treasures for any Catholic who wishes to draw closer to their Mother Mary, or for any Christian interested in developing a deeper relationship with Christ, which comes most easily and readily through the person who knew Him best, Mary. A source of True Joy and Peace.

A classic. First review I've ever written. There is so much in this book to help us, and it offers us the sweetest way to know Jesus more, which is through the Blessed Mother Mary. St. Louis de Montfort gives a very clear presentation, stating that, in order for Jesus to come to us, He chose to submit

Himself to, and depend upon, his Mother; therefore, it stands to reason that, in order for us to come to Him, we would submit ourselves and depend upon the Blessed Mother as well. After all, Jesus could have chosen any manner in which to appear on earth; He could have simply appeared. But He, God, chose to be borne of and become entirely dependent as a child upon Mary. And as Jesus Himself said, we are to become as little children in order to enter the Kingdom of Heaven --

“Truly I tell you, unless you change and become like children, you will never enter the kingdom of heaven.” -- Matthew 18:3. In this book, St. Louis de Montfort gives many more reasons for us to grow close to Mary. I hope to re-read and re-read this book for the remainder of my time on the planet. If this was the chosen way for St. Pope John Paul II and for Blessed Mother Teresa (to name a few) to devote themselves more fully to Jesus, it is certainly a fine way for me. An excellent literary companion, after the Scriptures and the Catechism. I hope and pray that this review was of help to you. Come and see! St. Louis de Montfort, pray for us.
