#### **Customer Reviews**

Bought this for homeschool and it's a decently put together book but honestly I am hoping when he is ready to read on this level we will be doing more chapter books that contain more depth than the stories this contains.

REALLY FAST SHIPPING, EXACTLY AS STATED, WOULD DEFINITELY BUY AGAIN FROM THIS SELLER. SMOOTH TRANSACTION, HAPPY CUSTOMER. BRAND NEW AS DESCRIBED.

I am new to homeschooling my two older children and I needed a Reading textbook to add to our curriculum.

Book was in excellent condition. Like the fact that we can read at home what he is doing in school

Love all the Houghton Mifflin books
