Thanks for leaving the message on your author page to let people know Books Kid is Diary Wimpy so that we know this is you. It is good to see you back in action after a month off, and the new book is just as good if not better than before. The new cover design format blows the other one out of the water. You also mentioned weekly updates on the message that you left on the old author page, so judging by that you will be going back to weekly releases again as well. My nephew and I are really excited to see you back in action and look forward to seeing what you have in store for next week as well.

Welcome back, Diary Wimpy :D I love the new cover design! :D Thanks for coming back to the book biz! :D I like this book especially because of its length, not too short, not too long. :D Welcome back, bud.

its one of the most boring books ive ever read. If an accual army attacked it would of been more fasinating. Also the 3 wither sleketons who were told to be dumb was just stupid
