Its AIRGEAR.....Not much else needs to be said. I have been enjoying these Manga for over a year
now. The art is wonderful and the story is funny and it has a lot of adventure in it. Good read and
enjoyable in my opinion.

I love this cover and you can guess why. Everything looks Awesome and as usual with Oh!Great,
you can expect the artwork to be magnificent. The chart with the summary and character
relationships is great.

The detail in this series is just amazing, good story, comedy in the right and wrong moments, and
almost all the characters are developed with a decent amount of side stories
