## Customer Reviews

I love this devotional! There a devotion for every day of the year. Each one has a "lesson" that is a few paragraphs and takes up no more than one page. Then there is something to think about, coresponding seggested verses and something to pray about. The devotionals are all completly Bible based and the lesson and verses are always very practical and greatly help me grow in my walk. I have learned new things and am very happy to have gotten this.

I teache Primary student in Sunday, but we have a few older boys that have given their lives to Christ and I was just too happy to see the wonderful selection of devotional books available | I'm sure I will be buy more!!!

This is a great book for teens to read. I got this for my younger brother which is perfect for his age. However, my only reason for giving this book 4 stars instead of 5 is that it was missing a page. I

bought this book used but the condition stated was good. Nowhere did it say that there was a complete page missing. Next time I'll buy it new.

I bought it for my daughter and she loved the first one and she is really enjoying this second one. When she has these devotions, she reads them every night and takes them with her when she goes away for a few days. Before this second one came out, I bought her two other teen devotions and she just did not get into them that well. She loves it.
